I-710 Corridor Project

**Notice of Public Hearings and Availability of Recirculated Draft Environmental Impact Report/Supplemental Draft Environmental Impact Statement**

The California Department of Transportation (Caltrans), in cooperation with the Los Angeles County Metropolitan Transportation Authority (Metro), the Gateway Cities Council of Governments (GCCOG), the Southern California Association of Governments, the Ports of Los Angeles and Long Beach, and the Interstate 5 (I-5) Joint Powers Authority have completed the Recirculated Draft Environmental Impact Report/Supplemental Draft Environmental Impact Statement (RDEIR/SDEIS) for the I-710 Corridor Project. The proposed project would improve Interstate 710 (I-710), also referred to as the Long Beach Freeway, in Los Angeles County between Ocean Blvd. and State Route 60 (SR-60). A Draft EIR/EIS was first circulated in 2012. Based upon public comments received on the Draft EIR/EIS and new information which came to light, the build alternatives under consideration were revised. The RDEIR/SDEIS addresses the revised build alternatives.

Three public hearings will be held to provide you an opportunity to obtain first-hand project information and to express your comments and concerns about the proposed project. The public hearings are scheduled for the following dates and locations:

- Wednesday, August 23, 2017, 6:00 p.m. to 9:00 p.m. – Commerce Senior Center, 2555 Commerce Way, Commerce, California 90040
- Saturday, August 26, 2017, 10:00 a.m. to 1:00 p.m. – Paramount Community Center/Senior Center, 14400 Paramount Blvd., Paramount, California 90723
- Thursday, August 31, 2017, 6:00 p.m. to 9:00 p.m. – Cesar E. Chavez Park Community Center, 401 Golden Ave., Long Beach, California 90802

These meetings will begin with an open house for review of project exhibits where project team members will be available to answer individual questions. The open house will be followed by a brief presentation, and the public hearing will be opened and opportunity provided for individuals to speak and provide formal comments.

In an effort to save paper, the RDEIR/SDEIS is being distributed on CD. A hard copy of the document may also be viewed at the following locations:

- Caltrans District 7 Office – 100 South Main St., Los Angeles, California 90012, on weekdays from 9:00 a.m. to 3:00 p.m.

- Metro – Dorothy Peyton Grey Transportation Library – One Gateway Plaza, Los Angeles, California 90012, Monday through Thursday, 9:00 a.m. to 4:00 p.m., or Friday by appointment
- Gateway Cities Council of Governments – 166401 Paramount Blvd., Paramount, California 90723, on weekdays from 9:00 a.m. to 4:00 p.m.
- City of Commerce Public Library, Bristow Park Branch – 1466 S. McDonnell Ave., Commerce, California 90040
- County of Los Angeles Public Library, Hollydale Library – 12000 S. Garfield Ave., South Gate, California 90280
- County of Los Angeles Public Library, East Rancho Dominguez Library – 4420 E. Rose St., East Rancho Dominguez, California 90221
- Long Beach Public Library, Main Library – 101 Pacific Ave., Long Beach, California 90822
- Long Beach Public Library, Bret Harte Library – 1595 W. Willow St., Long Beach, California 90810

The RDEIR/SDEIS may also be viewed at the following website: <http://www.dot.ca.gov/d7/env-docs/>

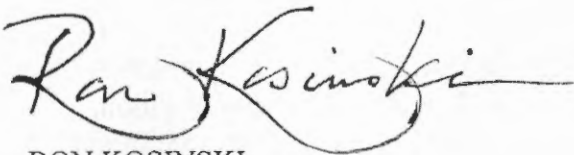

It may be helpful for you to view the project plans that will be on display at the Public Hearings to clarify any questions you may have about the alternatives. Written comments on the RDEIR/SDEIS must be submitted by **September 22, 2017**.

Please send your comments to:

Ronald Kosinski  
Caltrans District 7, Division of Environmental Planning  
100 South Main St., MS 16A  
Los Angeles, CA 90012

If you have any questions, please contact Garrett Damrath at (213) 897-9016. Thank you for your interest in this important transportation study.

Sincerely,

RON KOSINSKI  
Deputy District Director  
Division of Environmental Planning  
Caltrans, District 7
