City of Lynwood

Dear Local Government Official,

This is a courtesy notification for local government officials regarding maintenance outages in your community.

We will soon be performing maintenance on the electrical system in the area. In order to perform this work safely, we must temporarily turn off power. This outage will allow us to modernize our grid by making needed upgrades and repairs to increase our reliability. We realize that power outages may cause some inconvenience, therefore we try to isolate outages down to the smallest area possible and complete the work safely and as quickly as we can. We appreciate your understanding as we work to increase system reliability for the future.

Please advise the appropriate personnel of the following:
