

## NOTICE OF PUBLIC HEARING

**NOTICE IS HEREBY GIVEN** that on Wednesday, February 3, 2021, a public hearing will be held before the Lynwood CDBG Advisory Board for citizens input into the development of the City's Annual Action Plan for the period of July 1, 2021 through June 30, 2022. The Annual Action Plan includes the proposed activities, resources and expenditures for the Community Development Block Grant (CDBG) and HOME Investment Partnerships (HOME) programs. The City of Lynwood welcomes any recommendations, suggestions, or other input on the City's Fiscal Year 2021-22 Annual Action Plan. The Annual Action Plan must be prepared according to the U.S. Department of Housing and Urban Development (HUD) regulations. A copy of HUD's final rule (issued January 5, 1995, Federal Register) is available upon request.

HUD requires an Annual Action Plan in order for the City to receive federal funds under the CDBG and HOME programs. In past years, these monies has been used for a wide variety of activities, including but not limited to, housing rehabilitation, public service activities, code enforcement, and various capital improvements including street improvements, curb cuts for the handicapped and park facilities.

While federal funding awards have not yet been announced by HUD for FY 2021-22, the City of Lynwood estimates it will receive close to the same funding as received in FY 2020-21, which is approximately \$1,133,630 in CDBG funds and \$560,877 in HOME funds. However, the City will not be certain of the actual funding amount for either program until the federal notification of awards.

It should be noted that under the CDBG program eligible projects must either provide benefits to low or moderate-income persons, eliminate slum or blighted conditions, or is an urgent need. In addition, at least 70% or more of the FY 2021-22 entitlement total must be used for activities benefiting low and moderate-income residents of Lynwood. Of the HOME funds received, funds can only be used for housing activities benefiting low or moderate-income persons.

The City of Lynwood intends to provide reasonable accommodations in accordance with the Americans with Disabilities Act of 1990. If special accommodations are required, please contact Michelle Ramirez, Director of Community Development, at (310) 603-0220, Ext. 605 or via email at [mramirez@lynwood.ca.us](mailto:mramirez@lynwood.ca.us) at least 48 hours prior to the February 3, 2021 public hearing date.
